

ISO 9001:2000 Certified

**SIRDA**  
Group of Institutions

# PROSPECTUS

ISO 9001:2000 Certified

There is a determined desire to propel SIRDA into a world-class academic and research community that cater the needs of national and international industries by establishing institutes of excellence in the field of Engineering and Professional Education.

**Er. N. R. Chaudhary**  
Founder and Chairman  
SIRDA

## AIM

To develop as a Centre of Excellence in Scientific and technical education and research.  
To serve as a valuable source of new ideas and of innovations for industry and society

## MISSION

To serve the nation by producing highly sophisticated technical men force.  
To promote academic growth by offering state-of-art undergraduate and postgraduate programmes.  
To undertake collaborative skill development and research projects which offer opportunities for long-term interaction with academia and industry.  
To develop human potential to its fullest extent so that intellectually capable and imaginatively gifted leaders can emerge in a range of professions

# 1. ABOUT SIRDA GROUP

SIRDA (Sundernagar Integrated Rural Development Association), a charitable registered society is involved in various employment oriented welfare schemes for the uplift of economically weaker sections of rural areas. Since its inception as an educational institute, SIRDA stand approved by All India Council of Technical Education (AICTE) and is affiliated to H.P. Technical University, Hamirpur for degree courses and to H.P. Takniki Shiksha Board, Dharamshala for diploma courses. . These institutions have been established with a vision to develop a Technical Education System

based on quality and innovative learning which can produce genuine innovators and entrepreneurs to display their potential for shaping the future of our country. Location wise, the SIRDA Institute of Engineering and Technology & SIRDA Polytechnic is well connected to the important & popular places by open and wide roads. The institute campus is most conveniently situated on NH21 and is about 3 km. away from Sundernagar and 20 km. from Mandi. The campus presents a spectacle of harmony in architecture and natural beauty with many topographical features, imaginatively laid out with picturesque landscape and numerous buildings of various nature and stature.

ISO 9001:2000 Certified

## 2. ACADEMICS

SIRDA provides science-based engineering, Pharmacy & Skill Development education with a view to produce quality engineer-scientists. The Academics provides broad based knowledge and simultaneously builds a temper for the life long process of learning and exploring.

### 2.1 Academic Units

The various academic units of the institute are the departments are listed below. Activities of the Departments include teaching at Diploma, graduate and post graduate levels and research.

#### Departments at SIRDA

- ☐ Applied Sciences Department
- ☐ Civil engineering Department
- ☐ Electronics and Communication Department
- ☐ Computer science Engineering Department
- ☐ Mechanical Engineering Department
- ☐ Electrical and Electronics Department
- ☐ Pharmacy Department

## 2.1.1 Applied Sciences Department

The Department of Applied Sciences teaches and promotes practical aspects of Applied Sciences to build a solid foundation as part of the Engineering Education. Applied science is a discipline of science that applies existing scientific knowledge to develop more practical application like technology or invention. The department prepares students for core engineering branches by educating them in the basic sciences of physics, chemistry mathematics and English communication skills in the first year. The laboratory and classrooms are provided as per A.I.C.T.E. norms. Physics encompasses the study of the universe from the largest galaxies to the smallest subatomic particles. Physics is the basis of many engineering courses. Like Physics, many of engineering subjects depend on chemistry. The faculty members are committed to the students and Improved methods of teaching and learning process are adopted to achieve learning abilities through practice, exposure and motivation. Mathematics is

indispensable for the engineering community. Students use mathematics to understand and solve engineering problems. The English Communication skills laboratory is an integral part of the department. Students receive training in written and verbal communication essential to succeed in the work place. Computer facility, charts, special instruction room, preparation room , HOD and staffroom are incorporated. Ventilation and sufficient light , fans, fire extinguisher's , glass board are used in the lab and class accordance with prescribed syllabus.

## 2.1.2 Civil Engineering Department

Considered the most versatile branch among all the engineering branches, Civil Engineering is running in this institute from inception since 2009. It is the branch with lot of diversity right from structural to transportation engineering, environmental to hydrology to hydraulics engineering, geology to geo-technology to earthquake engg. Being one of the primary engineering department of the institute, the department of civil engineering offers B.Tech & M.Tech degrees. There are five assistant professors in civil engg having good experience of teaching. The department has well equipped laboratories in the specialized areas to fulfil the needs of the students. We have various labs such as structural analysis, geotechnical engg, transportation engg, surveying, concrete technology, environmental engg, hydraulics

& civil softwares. The major equipments in the labs are digital pH meter, turbidity meter, aggregate impact test apparatus, los Angeles test apparatus, total station, three hinge arch apparatus, beam apparatus, bench type consolidometer, permeability apparatus, theodolite, triaxial compression test apparatus etc. There are 135 students studying in the civil engineering department at present.

## 2.1.3 Electronics & Communication Engineering Department

With the help of highly motivated and dedicated faculty, ECE has consistently maintained an exemplary academic record. The department of ELECTRONICS

AND COMMUNICATION Engineering offers one of the best learning environment. Our students are inspired to apply the classroom learning in the laboratories through experiments which helps them to become skilled engineers.

We will keep striving to achieve the best in all possible phases. We hope our students will prove to be an invaluable asset to the society & organization where they render their services.

## 2.1.4 Computer Science & Engineering Department

This is an exciting era for computer students and teachers as the discipline is now widely recognized as an essential source of techniques for advancements in nearly all spheres of human endeavor. This department is assiduously heading towards achieving high academic standards and values while preparing Computer Science graduates to meet the GLOBAL

STANDARDS. The keepers of this department believe that in a competitive software world knowledge is a key ingredient and a competitive weapon and they endeavor to impart even the nitty gritty of this field to their students. The objective is to educate, train and develop world class IT professionals with a mastery of not only hardware and software skills but also soft skills for professional success. The department is regularly conducting workshops for all faculty and students. The department has six state of the art laboratories with high end Servers along with a firewall security server. The well-equipped Labs are kept open till 9:30 pm every day to enable the use of lab facilities.

The Department of Computer Science and Engineering strives to prepare students for professional career and higher studies by providing conducive teaching – learning, research environment and entrepreneurship with leadership skills, enabling them to serve the engineering profession. Our students graduate with more than 100% placement through campus. Many companies of repute show their interest to visit our Institute for campus recruitment.

## 2.1.5 Mechanical Engineering Department

Department of Mechanical Engineering of SIRDA Institute of Engineering Technology is dedicated to produce mechanical engineers to fit and function in the current technically sophisticated environment. At present it offers both undergraduate and postgraduate courses. The department has started M. Tech programme in Production Engineering. The department offers science-based engineering curriculum. The primary focus of this curriculum is to impart technical know-how to students, promote their problem solving skills and innovation of new technologies. The department is very well equipped with computational facilities and resources both in terms of hardware and software. The department has laboratory and workshop facilities with modern sophisticated equipment to carry out research in all areas related to Mechanical and Production & Industrial Engineering. Modern Smart Class rooms are designed to drag the students in to the subject and encourage them to interact

with the subject teacher in the class room. Department of Mechanical Engineering is looking forward to further strengthening the teaching learning process, strong institute – industry interaction, faculty development, increased use of web based learning with the objective of imparting world class quality technical education along with career counselling and personality development programs.

## 2.1.6 Electrical & Electronics Engineering Department

The Department of Electrical & Electronics Engineering Department is one of the major and principle departments of SIRDA Institute of Engineering Technology since its inception in 2009. Electrical & Electronics is a continuously evolving subject. The curriculum is designed in such a way that the department will focus to develop competent Electrical /

Electronics Engineers who can take up industry challenges in their professional life.

Electrical & Electronics Engineering is a field of Engineering that generally deals with the study and application of electricity, electronics and electromagnetism. Electrical Engineering deals with the problems associated with systems such as electric power generation and electric machines, whereas Electronics Engineering deals with the study of electronic systems including computers, Power Electronics, Drives and Integrated circuits.

## 2.1.6 Electrical &

Electrical & Electronics Engineering is a field of Engineering that generally deals with the study and

## 2.1.7 PHARMACY Department

It is our pleasure to welcome you to Pharmacy Department of SIRDA Polytechnic. We hope you will enjoy studying in this department and look forward to help you to achieving the goal of Assistant Pharmacy

Diploma. Our objective is not only to train you to become a professional, but also to cultivate certain good qualities, values and discipline which would make you a better citizen. Education and training without these qualities are meaningless. We hope you will help us to accomplish these objectives.

## 2.2 Academic Programmes

ISO 9001:2000 Certified

Courses offered and seats distribution in Postgraduate and Undergraduate Programmes

### 2.2.1 Postgraduate Programme (M.Tech Courses)

Sr. No	Branch	Specialization	Seats through direct entry 1st year
1.	Computer Science Engineering.	Computer science engineering.	24
2.	Electronics & Comm. Engineering	Electronics & comm. Engineering.	24
3.	Civil engineering	Water resource engineering	24
4.	Mechanical engineering	Production engineering	24

### 2.2.2 Undergraduate Programme (B.Tech Courses)

Sr. No	Branch	Total seats
1.	Computer Science Engg.	90
2.	Electronics & Comm. Engg.	90
3.	Civil Engg.	120
4.	Electrical & Electronics Engg	120
5.	Mechanical Engg.	120
6.	Information Technology	60

## 2.2.2 Undergraduate Programme (Diploma in Engineering and Pharmacy)

Sr. No	Branch	Total seats
1.	Computer Science Engg.	60
2.	Electronics & Comm. Engg.	60
3.	Civil Engg.	120
4.	Electrical & Electronics Engg	60
5.	Mechanical Engg.	120
6.	Automobile Engg.	60
7.	D-Pharmacy	40

### 3. ADMISSIONS

Admission to SIRDA is possible through various entrance examinations, like the Joint Entrance Examination (JEE), Graduate Aptitude Test in Engineering (GATE), PAT and HPCET, for its various degrees and diploma programmes. Scholarships are given to all meritorious and needy / poor students belonging to weaker sections of the society. Deserving students are also given fee concessions and other benefits.

### 3.1 Post Graduate Programme (M.Tech)

1. The admission to M. Tech degree courses shall be made on the basis of merit of valid GATE-2016 score.
2. In case the seats remain vacant after exhausting the merit of GATE, the vacant seats will be filled up on the basis of merit of HPCET-2016.

**Note:-** The minimum/cut off marks to seek admission to M. Tech degree course on the basis of HPCET-2016 and B.E./B.Tech. Examinations shall be as follows:

Name of Exam	Gen. Category	Reserved Categories
HPCET-2016	20%	15%
B.E./B. Tech	60%	55%

### 3.2 Undergraduate Programme

#### 3.2.1 B.Tech

1. The admission to the first 50% of the seats shall be made on the basis of merit/rank/score obtained in JEE (main)-2016. The remaining 50% seats will be filled up on the basis of merit of hpcet-2016.
2. In case the seats remain vacant after exhausting the merit of JEE (Main) and HPCET, the remaining seats

will be filled up on the basis of merit of 10+2 examination conducted by a recognized board or university.

**Note:-** The minimum/cut off marks to seek admission to B.Tech degree course on the basis of JEE (Main) -2016, HPCET-2016 and 10+2 shall be as follows:

Name of Exam	Gen. Category	Reserved categories
JEE (Main)-2016	15%	10%
HPCET-2016	20%	15%
10+2	55%	50%

#### 3.2.2 B.Tech Lateral Entry (2nd year)

The candidate having passed 3 years diploma in engineering with 50% marks (45% in case of reserved categories) are admitted in 2nd year (3rd semester) in respective branches of engineering on the basis of criteria as fixed by the H.P. Technical University Hamirpur.

#### 3.3.3 Diploma in engineering and pharmacy

The admission shall be made strictly on the basis of merit of marks obtained in PAT-2016 conducted by H.P. Technical Education Board.

**Prof. Timothy A. Gonsalves, Director IIT, Mandi**

In case, seats remain vacant after exhausting the merit of PAT, vacant seats will be filled up amongst the candidates obtaining 50% marks (45% for reserved categories) at minimum entry level qualification prescribed by H.P. Technical Education AICTE from time to time.

The minimum eligibility criteria for admission to 2nd year in Polytechnic under Lateral Entry Scheme is that the candidate must have passed 12th in Science Stream/12th with Vocational or/ 12th Science with Technical or/10th + (2 years ITI/COE) with appropriate specialization as per AICTE Norms. The admission shall be made strictly on the merit of marks

obtained in Lateral Entry Entrance Test (LEET-2016) conducted by H.P. Technical Education Board Dharamshala. In case, seats remain vacant after exhausting the merit of LEET-2016, vacant seats will be filled up amongst the candidates obtaining at least 50% marks (45% for reserved categories) at minimum entry level qualification prescribed by AICTE from time to time.

The minimum eligibility criteria for admission to 1st Year D.Pharmacy is that the candidate must have passed 12th in Science stream from a recognized Board.

**Prof. R. L. Sharma, VC HPTU, Hamirpur (HP)**

## Members of Board of Directors

## 4. Faculty

The faculty of SIRDA is not only considered amongst the best regionally, but is also highly recognised nationally for its achievements in the field of education and research. At present, there are nearly 80 faculty members in the institute (in the year 2006-17). There is a conscious continuous effort by the institute to widen its faculty base and add greater variety and depth to the scope of teaching, and also to the R&D experience. As a measure towards this end, there is a regular induction of adjunct and visiting faculty to the institute.

The faculty of SIRDA is engaged in a wide range of activities besides substantial academic and research commitments. They contribute significantly to the country's growth in science and technology, by making their services available. Faculty involvement in research and consultancy activity leads to a significant output of publications in leading national and international journals. Faculty members are encouraged to interact with peer groups by participating in international conferences, and by visiting leading institutions for academic and research activities.

## 5. Fees

All fees to be charged from the students is as per the fee structure approved by Govt. of H.P., Himachal Pradesh Technical University, Hamirpur / Himachal Pradesh Takniki Shiksha Board, Dharamshala. (H.P.)

## 6. ATTENDANCE

Students are expected to maintain discipline within the institute campus & follow the instructions issued by the administration from time to time.

Students must attend 100% classes once registered in a course. Minimum at least 75% attendance in all theory & practical classes separately is mandatory for all students to make them eligible to appear in university examination. A student who fails to maintain 75% attendance shall not be allowed to sit in end semester examination.

## 7. INSTITUTE FACILITIES

### 7.1 Instructional facilities

SIRDA has a variety of instructional facilities and teaching aids, which are of significance for its students and faculty. Modern lecture theaters with individual workstations have been provided, and each department has designated independent research space.

### 7.2 Laboratories

SIRDA has well-equipped laboratories with state-of-the-art facilities. There are undergraduate teaching laboratories as well as sophisticated research facilities.

### 7.3 Library

The Library in SIRDA is one of the best technical libraries in India. It hosts an impressive collection of academic resources in the form of books, journals, research papers and electronic journals on a variety of subjects including science, technology and humanities. The library also offers video-viewing facilities.

### 7.4 Hostel

Well furnished, spacious and separate hostels for boys and girls are available in the campus. Hostel rooms are well ventilated with attached facilities.

Hostels have mess and canteen, internet, telephone, conveyance and medical facilities.

## 7.8 Sports Activities

Sports activities are given due importance keeping in view the adage “healthy mind abodes in a healthy body”. Large, spacious well maintained grounds / courts for games Basketball, Volleyball, Kabaddi, Badminton and Table Tennis are available in the campus. Regular sports activities in all games are organized in the campus as per University, Board and institutions sports calendar.

## 7.9 Scholarships

Scholarships are given to all meritorious and needy / poor students belonging to weaker sections of the society. Deserving students are also given fee concessions and other benefits.

## 7.5 Students' Canteens

SIRDA has a well furnished canteen in its campus where food and other eatable items are available at subsidized rates. Quality of eatable, cleanliness and hygienic environment is the wholesome priority of the institutions. Canteen remains open in all working days from 10:00 am to 6:00 pm.

## 7.6 Stationery shop and Xeroxing facilities

For the benefit of the student community, there is a stationery shop situated in the academic area. A number of Xeroxing facilities are available.

## 7.7 Transport Facilities

SIRDA Group of Institutions has its own fleet of buses for the conveyance and transportation of students and staff. Routes of these buses are so designed that students availing college bus service are picked from the nearest point of their residences.

## 7.10 Guest lectures

Gap between the classroom and the realities of engineering world is bridged by a team of high profiles engineers as guest faculty. Guest faculty are extensions to the academic curriculum and are considered vital supplements to the regular academic programme.

## 7.11 Other Facilities

- Well ventilated, spacious classrooms.
- Spacious and well equipped Laboratories and workshops.
- Computer labs with over 350 latest computer system.
- Well furnished library with internet facility.
- Internet with unlimited access.
- Modern and quality furniture.
- Separate hostel for boys and girls.
- Doctors readily available in the campus for timely medical assistance to staff and students.
- Wi- Fi enabled campus.

## 8. CAMPUS LIFE

The ambience of student life and activities on the campus is to provide an invigorating and creative environment which promotes independent thinking and introspection and leads the young students to become more aware of the consequence of their own actions.

Excellent facilities for accommodation to a large number of students, co-curricular activities, sports and games recreation, shopping, etc., are provided to the students on campus. Special efforts are also made to promote and strengthen student-teacher interaction. Students Counseling Service has been set up to assist and morally support students in their initial adjustment, and also to deal with any difficulties, they may have during their stay at the Institute.

SIRDA organize various students centered activities

through dramatic clubs, music & dance clubs, hobby clubs, debates & declamations club, educational & recreational trips. Celebration of National days, Teacher's Day, Engineer's Days, Woman's Day, Annual Day, Tech –Fest are regular features in SIRDA campus. These activities provide platform for students to exhibit their talent.

Sports activities are given due importance keeping in view the adage “healthy mind abodes in a healthy body”. Large, spacious well maintained grounds / courts for games Basketball, Volleyball, Kabaddi, Badminton and Table Tennis are available in the campus. Regular sports activities in all games are organized in the campus as per University, Board and institutions sports calendar.

## 9. TRAINING AND PLACEMENT CELL

SIRDA is one of the premier Group in the field of technical education in Himachal Pradesh. The institution is being assisted by TEQIP project of World Bank. In a short span of the seven years of its existence, it has earned recognition from all concerned, be it Government, Industry, Academics Community or even society at large. Training and Placement Department was established in this institution in the year 2010. Since then lots of activities are being conducted within the ambit of this department for the benefit of students. Training and Placement Department aims to organize campus interviews for final year students with industries and business hours of repute from all over India. It prepares students to face campus interviews by arranging training in Aptitude Tests, Group Discussion, preparing for Technical and HR interviews through professional trainers and SIRDA alumni. Every year, more than 20 companies of repute including MNC's visit SIRDA. More than 90% of eligible students of previous years have been provided jobs in different companies through campus placements. Every year cell organizes training programmes in the

below mentioned activities for the students of all streams.

- Preparation of Bio-Data.
- Preparation for interviews.
- How to fall the interviews.
- Preparation for Group Discussion
- Choosing a career.

Professional training of the students in organization/ industry.

## 10. CONDUCT AND DISCIPLINE

A student shall conform to a high standard of discipline and shall conduct himself, within and outside the precincts of the Institute, in a manner befitting the students of an Institution of national importance.

- He/she shall have the seriousness of purpose and shall in every way, train himself to lead a life of earnest endeavor and co-operation.

- He/ she must follow strict ethical standards. Under no circumstances he/she will adopt unfair means for completing any component of evaluation in a course.

- He shall show due courtesy and consideration to the employees of the Institute and Halls of Residence, good neighborliness to his fellow students, respect to the Wardens of the Halls of Residence and the teachers of the Institute and pay due attention and courtesy to visitors.

## 11. SKILL DEVELOPMENT CENTRE

The SIRDA Skill Development Centre under the Construction Sector Skill development has been accredited and affiliated where the TOA and TOT programmes are undergoing successfully. The campus of 30,000 sqft built up area including administrative block, smart classroom labs and hostel area and Also 15000 sqft open yard hand on practice area is independently earmarked and designated for this purpose, which is annexed to the campus of the other institutions having opportunity of additional support and advantage of this infrastructure. This skill development centre fulfils all the parameters of Smart centre and qualifies five star grading.

Approved by Govt. of India-CSDCI (NSDC)

**RAGGING**  
**IS A CRIMINAL OFFENCE**

Dont **"RAG"**  
Also don't be a mute witness to  
**Ragging**

**Anti Ragging & Student Safety**

## 12. ANTI- RAGGING POLICY

Ragging is banned in the Institute. If a student is found to have indulged in ragging in the past, or if it is noticed later that he / she has indulged in ragging, then he / she may be expelled from the Institute. The anti-ragging squad shall work in co- ordination with the anti-ragging Committee and oversee the implementation of the recommendations of the Hon'ble Supreme Court.

Punishments: depending upon the nature and gravity of the offence as

Established by the anti ragging committee of the university, the possible

Punishments for those found guilty of ragging at the college level shall be any one

Or any combination of the following:

1. Cancellation of admission.
2. Suspension from attending classes.
3. Debarring from appearing in any tests /examinations or other evaluation process.

4. Withholding results.

5. Debarring from representing the college in any regional, national or international meet, tournament, youth festival etc.

6. Suspensions/expulsions from the hostel.

7. Rustication from the college for period varying from 1 to 8 semester.

8. Rigorous imprisonment of three years and / or a fine of upto Rs. 50,000/

9. Could be handed over to police (penalty: 2 years in prison as per government rules).

As per the instructions of UGC/supreme court of India, each of the student of the institute and his/ her parents and , guardian are hereby required to submit an affidavit at the time of registration/ admission , in the prescribed format as attached to this order, which is mandatory for registration/ admission

**RAGGING**  
**FREE CAMPUS**

## ANNEXURE I

### AFFIDAVIT BY THE STUDENT

I,.....(full name of student with enrolment number) S/o D/o Mr./ Mrs./ .....,  
having been admitted to .....(name of the institution)....., have received a copy of  
the UGC Regulations on Curbing the Menace of Ragging in Higher Educational Institutions, 2009, (hereinafter called the  
“Regulations”), carefully read and fully understood the provisions contained in the said Regulations.

2). I have, in particular, perused clause 3 of the Regulations and am aware as to what constitutes ragging.

3). I have also, in particular, perused clause 7 and clause 9.1 of the Regulations and am fully aware of the penal and  
administrative action that is liable to be taken against me in case I am found guilty of or abetting ragging, actively or  
passively, or being part of a conspiracy to promote ragging.

4). I hereby solemnly aver and undertake that

a) I will not indulge in any behavior or act that may be constituted as ragging under clause 3 of the Regulations.

b) I will not participate in or abet or propagate through any act of commission or  
omission that may be constituted as ragging under clause 3 of the Regulations.

5). I hereby affirm that, if found guilty of ragging, I am liable for punishment according to clause 9.1 of the Regulations,  
without prejudice to any other criminal action that may be taken against me under any penal law or any law for the time  
being in force.

6). I hereby declare that I have not been expelled or debarred from admission in any institution in the country on account  
of being found guilty of, abetting or being part of a conspiracy to promote, ragging; and further affirm that, in case the  
declaration is found to be untrue, I am aware that my admission is liable to be cancelled.

Declared this .....day of .....month of.....year.

Signature of deponent

Name:

### VERIFICATION

Verified that the contents of this affidavit are true to the best of my knowledge and no part of the affidavit is false and nothing  
has been concealed or misstated therein.

Verified at.....(place).....on this the .....(day).....of.....(month).....(year).....

Signature of deponent

Solemnly affirmed and signed in my presence on this the....(day).....of.....(month),.....(year).....after reading the  
contents of this affidavit.

# OATH COMMISSIONER

## ANNEXURE II

### AFFIDAVIT BY PARENT/GUARDIAN

I, Mr./Mrs.....(full name of parent/guardian) of .....(full name of student with enrolment number....., having been admitted to .....(name of the institution)....., have received a copy of the UGC Regulations on Curbing the Menace of Ragging in Higher Educational Institutions, 2009, (hereinafter called the "Regulations"), carefully read and fully understood the provisions contained in the said Regulations.

2). I have, in particular, perused clause 3 of the Regulations and am aware as to what constitutes ragging.

3). I have also, in particular, perused clause 7 and clause 9.1 Regulations and am fully aware of the penal and administrative action that is liable to be taken against my ward in case he/she is found guilty of or abetting ragging, actively or passively, or being part of a conspiracy to promote ragging.

4). I hereby solemnly aver and undertake that

a) My ward will not indulge in any behaviour or act that may be constituted as ragging Under clause 3 of the Regulations.

b) My ward will not participate in or abet or propagate through any act of commission or omission that may be constituted as ragging under clause 3 of the Regulations.

5). I hereby affirm that, if found guilty of ragging, my ward is liable for punishment according to clause 9.1 of the Regulations, without prejudice to any other criminal action that may be taken against my ward under any penal law or any law for the time being in force.

6). I hereby declare that my ward has not been expelled or debarred from admission in any institution in the country on account of being found guilty of, abetting or being part of a conspiracy to promote, ragging; and further affirm that, in case the declaration is found to be untrue, the admission of my ward is liable to be cancelled.

Declared this .....day of .....month of .....year.

Signature of deponent
